

Why choose Helen Doron Enrich?

Helen Doron, internationally recognized as one of the largest global educational franchises, also providing courses for kindergartens and schools in 39 countries worldwide; is now expanding its extra-curricular programme portfolio.

Backed by over 35 years of successfully teaching to over 3 million students, providing an effective and effortless way to naturally absorb English as a mother tongue, entertaining, easy, and accessible.

Highly trained and professional teachers, qualified and monitored for the gold standard in English teaching. We can provide you with Helen Doron teachers, or we can train your existing teachers. Wide variety of learning programmes developed by linguistic scientists and pedagogic experts. Courses are specially planned and designed according to age and the different developmental stages.

World Leader in English Education

Our Unique Methodology

Repeated Background Hearing
English as a Mother Tongue.

Personal Attention
More opportunities to speak and interact.

Positive Reinforcement
Builds confidence and inspiration to learn.

Activities and Games
Interaction enhances effective learning.

Fun and Joyful Learning
Children learn best, when having fun.

Songs
Grammar and vocabulary absorbed through music.
